A black and white photograph of a tree-lined road. The road is paved and curves slightly to the right. On the left side of the road, there are several large, mature trees with dense foliage. On the right side, there is a grassy area with more trees. In the distance, several vintage cars from the mid-20th century are parked along the side of the road. The overall scene is peaceful and suggests a campus or a quiet neighborhood.

Foreword

In the WHISPERING PINES of 1950 we have attempted to compile a book which departs slightly from the precedent of former years. We have placed emphasis mainly upon the interest and activities of the students themselves, and in so doing we hope we have presented a comprehensive picture of life at Southwest Mississippi Junior College.

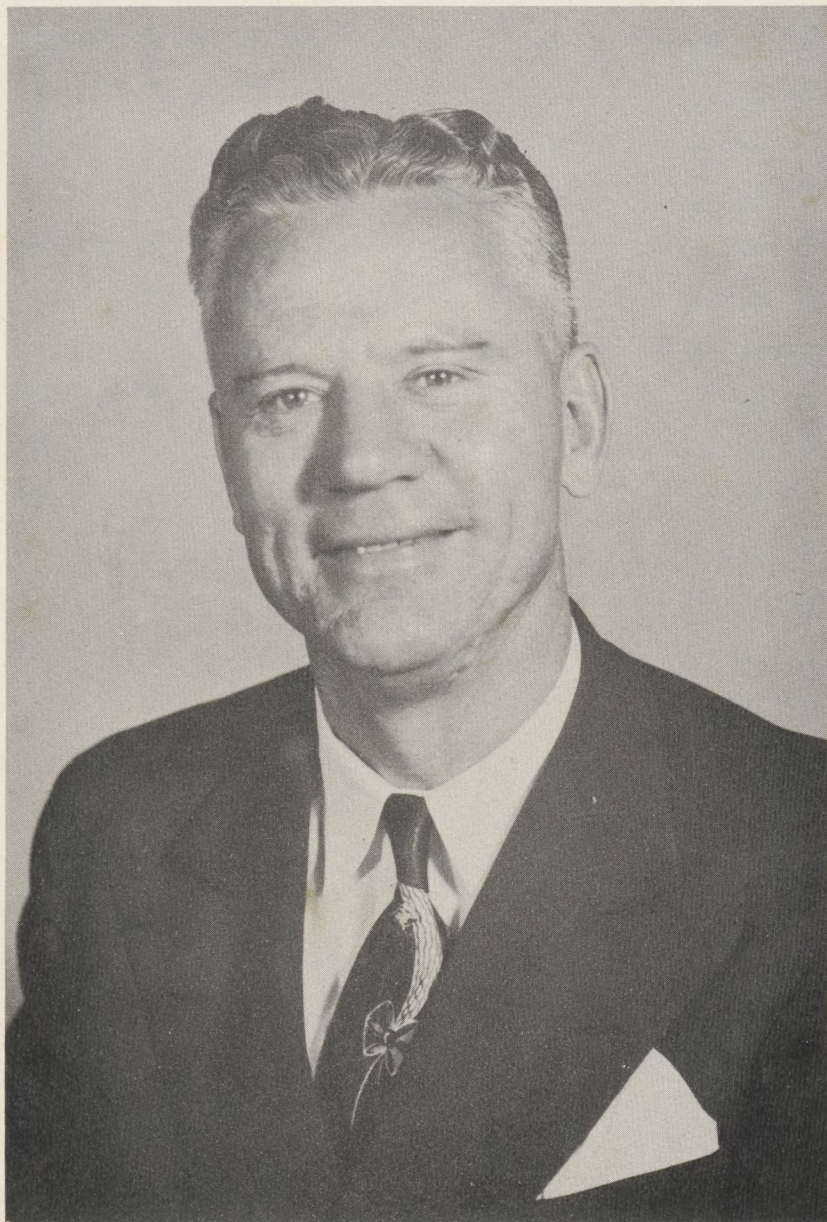

We have sought to portray not only your classmates, teachers, and friends, but also your hours of happiness, moments of regret, victories and defeats, periods of work and play, and everything that makes college life colorful. May these always be glorious memories to you.

H. L. (Hook) STONE

Dedication

In appreciation of his ability, friendliness, loyalty, and cooperation which have contributed so much to the success that has come to Southwest during this year of our college life, we take pleasure in dedicating this, the 1950 publication of the WHISPERING PINES, to Coach H. L. (Hook) Stone.

PRESIDENT C. H. SNELL

President's Message

The conclusion of the 1949-50 school session marks the close of the thirty-second session of Southwest Mississippi Agricultural High School and Junior College. During this period, many personalities have visited this institution, Students, faculty members, staff members and administrators have come and gone. Lasting impressions have been made while associating together on our campus. Many have greatly benefited from experiences here and have gone out in the world as benefactors of mankind.

Southwest has stressed quality rather than quantity throughout her long tenure of service to the people of Southwest Mississippi. It is doubtful if any other institution with comparable enrollment has had a greater per cent of her sons and daughters make any more marked success in the academic, business, or professional world. Those who had a part in helping to guide these young people may take justifiable pride and satisfaction.

Southwest Mississippi Junior College is so interwoven in the lives of the people of this area that nothing can happen to the one without affecting the other. In almost every community in this section of the state and in many communities of adjoining states, this institution has demonstrated its influence in better homes, better citizens and in families of character and worth.

Southwest is more than a campus, a group of buildings, a lake or a football stadium. Primarily, it is a spirit- a spirit that took years to build- a spirit of congeniality for and appreciation of our fellow man.

This spirit is perhaps our most valuable asset. Therefore, let us breathe deeply of it that we may be true to the finest traditions of Democracy and Christianity.

Let us look forward with hope and confidence that we may be true to those who have preceded us, and may make our full contribution to those who follow us.

The Eyes Of Southwest

The eyes of Southwest are upon you
All the live long day.

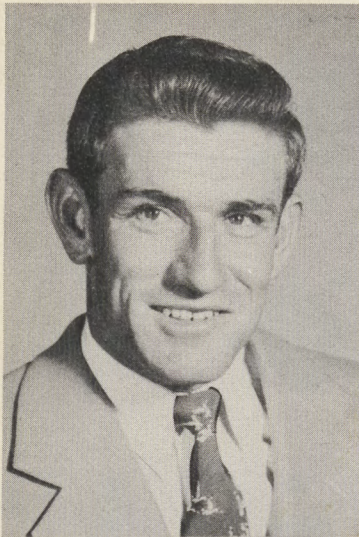

The eyes of Southwest are upon you
You can not get away.

Do not think you can escape them
At night or early in the morn.
The eyes of Southwest are upon you
Till Gabriel blows his horn.

Football

The students, alumni, and fans of Southwest Junior College should be more than proud of the superb playing accomplished by the 1949 football team. Much credit should be given to Coaches Stone and Davis for their remarkable leadership. Starting off the year with a new name, the team first defeated their age-old rival, Wesson. From there on out, the Bears were mostly victorious, winding up third in the Junior College Conference, for the first time in several years. Once again we tip our hats to this outstanding team and their coaches.

Southwest 12-----Wesson 6

The Bears started the season off with a bang this year by defeating their age-old rival, Wesson, for the first time in twenty-four years. Beating Southwest every year had come to be a habit with the Wolves, but the Bears put a stop to that. Ed Turner scored first for the Bears on a pass reception. The Wolves retaliated and tied the game six to six before the half was over but the Bears were not going to settle for a tie, so they came back after the half and went over for the winning touchdown.

"And they're off"

"Mark one up for Woody"

Southwest 12-----Poplarville 26

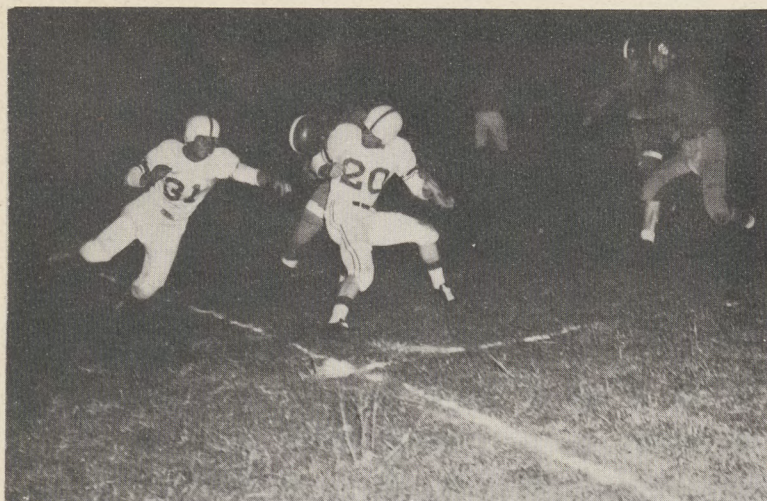

Plagued by several injuries received in the Wesson game, the Bears put up a hard fight but lost the battle against the powerful conference champs from Pearl River. The Wildcats scored two quick touchdowns in the opening period. The Bears came back in the second and third quarter and chalked up twelve points for our side. But the Wildcats had their eyes set on the championship, so they scored two more touchdowns in the fourth quarter to win the game.

Southwest 13-----Perkinston 13

With a win and a loss behind them, the Bears balance things up by tying Perkinston 13-13. The rain-soaked field caused numerous fumbles and it was anybody's ball game. Perkinston scored first, but the Bears followed with two touchdowns and a conversion to lead the Bulldogs 13-6 until the last few minutes of the game when the Bulldogs scored the tying points. Baker established himself as the man-of-the-week by scoring both touchdowns.

"Make way for Goat"

"Rack him up men"

Southwest 11-----Moorhead 6

Not wanting to spoil the Homecoming Day for the Alumni, the S. M. J. C. Bears rolled over the Trojans 11-6. In the opening minutes of a muddy game, the Bears scored a safety. They followed up the safety with a touchdown and conversion. The Trojans, not wanting to be left too far behind, followed with a touchdown, ending the half. Because of the mud, the second half was all fumbles and little running. However, in the fourth quarter, the Bears trapped the Trojans behind their goal for another safety, ending the game with the Bears triumphant.

Southwest 6-----Decatur 0

It took a long 81-yard run by Jack Baker late in the fourth quarter to have the Southwest Bears hand the league-leading Decatur Warriors their first defeat of the season. The game, played on a soupy field, was an outstanding display of defensive play. Maybe the Decatur fans didn't know what "get one for Loody" meant, but those spirited fans from Southwest did.

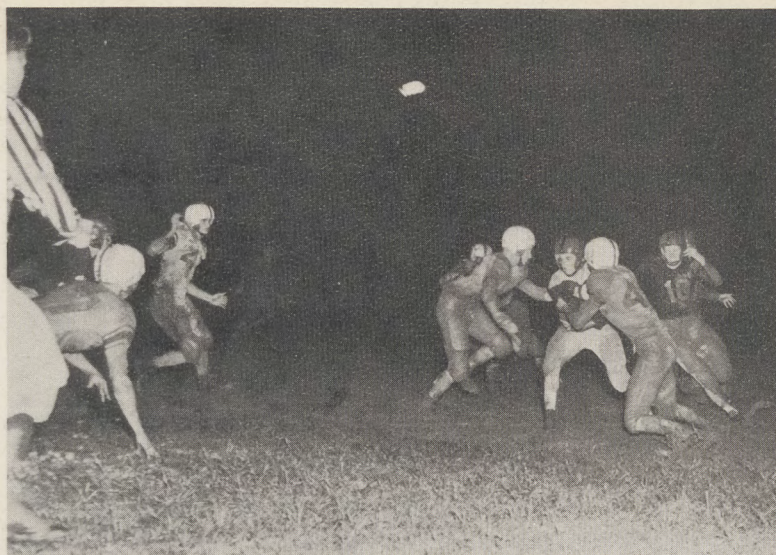

"Dig, boy, dig"

"Touchdown"

Southwest 13-----Ellisville 18

In a rough game packed with penalties about which there was some doubt as to their legality, the Southwest Bears fell prey to the snappy Ellisville Bobcats to an 18-13 score. The game was sparked by Stryker's spectacular punts and Chaney's touchdown run. The Bears played hard and did their best to win but the penalties proved to be too heavy for them.

"Get him boys"

Southwest 36-----Goodman 27

In a game that looked more like a track meet, the SMJC Bears outran and outplayed the Goodman Bulldogs to spoil their homecoming with a 36-27 victory. The Bulldogs put up a gallant fight, but the Bears, scoring in every period, were not to be defeated.

Southwest 6-----Raymond 40

Scoring almost at will, the Hinds J. C. Eagles gave the Bears their worst defeat of the season. The lone Bear touchdown came when Jack Baker went fifty-five yards in the latter moments of the third period. So far as Southwest was concerned, Jehu, the newly-acquired mascot, stole the show.

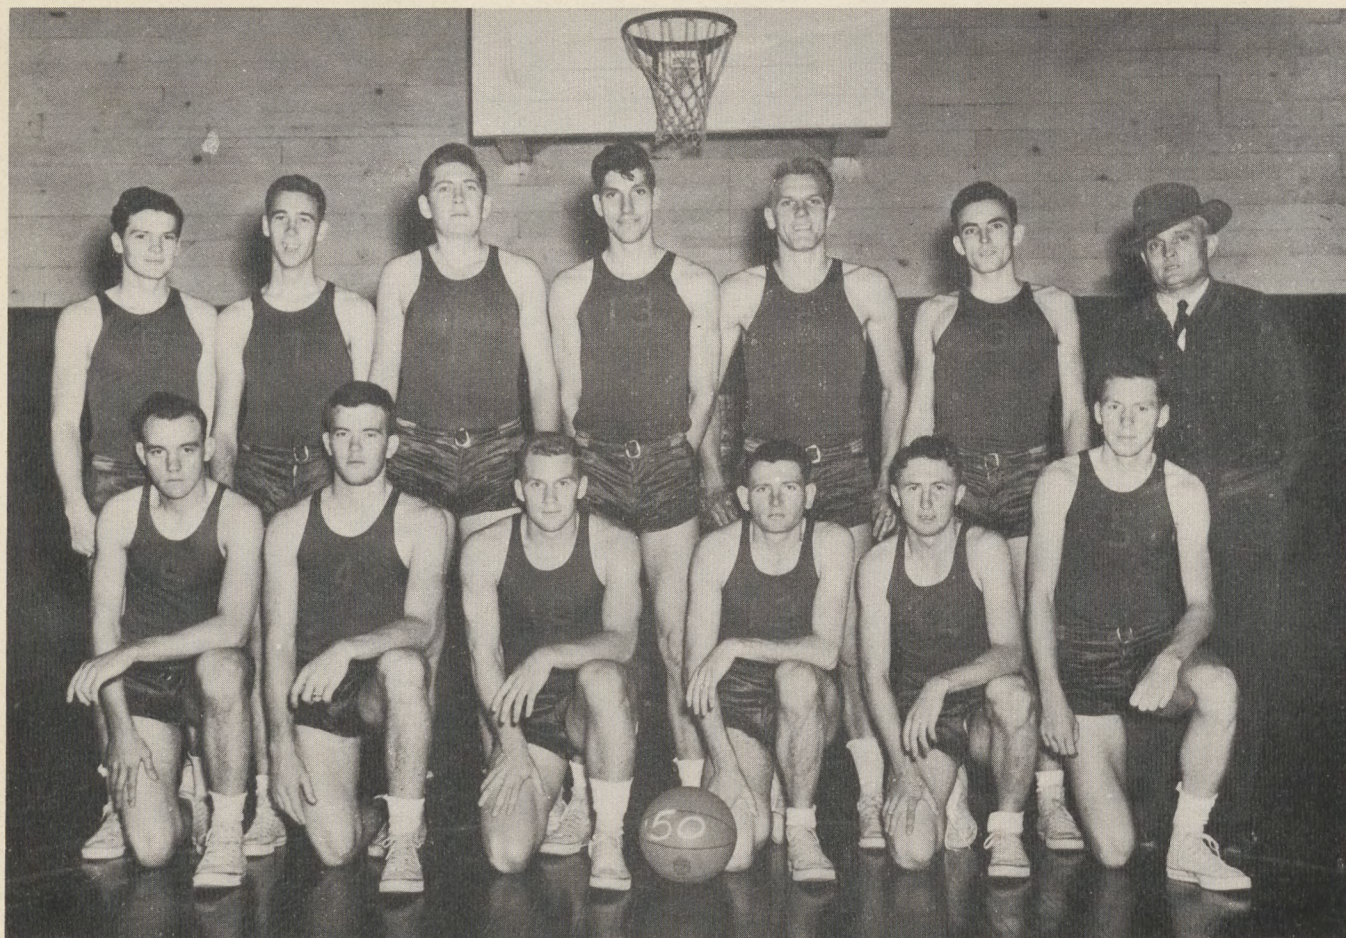

"And he's caught"

"A stack of men"

Southwest 18-----Scooba 7

Winning the final game of the season, the Bears defeated the Scooba Lions 18-7. The Lions proved to be not as big a pushover as the Bears thought they would be. It was pretty rough going for the Bears, but with Stryker, Woodward, and Cassels chalking up touchdowns, the Bears came out victorious.

Basketball

The boy's basketball team of the 1950 season must have had a jinx on them, for although they played hard and with determination, they finished the season with four wins and thirteen losses. However, if Coach Stone and the boys try half as hard next year as they did this year, the title of conference champs should be theirs.

Girls' Basketball

The girl's basketball team of Southwest, like the football team, was the best that S. M. J. C. has had for many years. Under the capable leadership of Coach Willoughby, the girls finished the season by losing six and winning eleven games. All of the girls played hard and congratulations were in due order to each and every one of them for splendid work.
